Dear Sirs

**YEAR 2014 MTSF PROGRAMME**
**SCIENCE EDUCATION AWARD FOR SECONDARY SCHOOL SCIENCE TEACHERS**

We are pleased to inform that the MTSF 20th programme has been successfully completed in 2013. MTSF will continue the Science Education Award to give recognition and incentive to outstanding contributions and achievements by Malaysian science educators and teachers at the secondary school level in 2014.

As in the previous years, the Foundation will award five (5) winner prizes of RM6,000.00 to RM10,000.00 each, five (5) runner-up prizes of RM4,000.00 each and five (5) consolation prizes of RM2,000.00 each. The total prize will amount to about RM70,000.00 each year. Selected winning projects will be published by the Foundation for circulation to schools to enable them to share and benefit from the innovative ideas of the winners.

In this regard, we are pleased to forward herewith the following documents:

(a) a copy of the letter from the Pengarah, Bahagian Pengurusan Sekolah Harian, Kementerian Pelajaran Malaysia;
(b) two (2) competition posters (for the school’s notice board); and
(c) one (1) set of information bulletin, application form together with specimen of MTSF Science Education Award winning entries.
